

## Freshman Students

Please type or print in ink all portions that apply to you. No one but the applicant should fill out the application. No evaluation will occur if any required information has been omitted. All applicants must list their SOCIAL SECURITY NUMBER and BIRTHDATE and sign the application. The application may be initiated following the completion of the junior year. Falsification or misrepresentation of information on the application will lead to dismissal from the University.

**Secondary School Transcript:** It is the applicant's responsibility to arrange to have an official secondary school transcript and test scores forwarded to the Office of Undergraduate Admissions at Slippery Rock University. The secondary school transcript should include your senior year course schedule and grades at the close of the junior year. High school students enrolled in college courses should submit official college transcripts to SRU as soon as they become available. A final, official transcript will be required upon graduation.

**Required Freshman Testing:** All candidates for admission must take either the SAT or ACT test for application consideration. To request that scores be sent directly from the testing service to Slippery Rock University, use code 3716 for the ACT test, and code 2658 for the SAT test. Scores will also be official if included on high school transcripts. Applicants out of high school for more than two years need not submit test scores unless requested to do so by the Director of Undergraduate Admissions.

**G.E.D. Note:** Students who have obtained a G.E.D. should provide a copy of the G.E.D. score report and diploma, and an official transcript from all secondary schools attended until the equivalency diploma was earned.

## Transfer Students

Transfer students are those students who have graduated from high school and have subsequently enrolled in post-secondary coursework or attended the military.

Transfer students are expected to have achieved a satisfactory grade point average at previous institutions. Students who for any reason are on suspension or dismissal from another institution will not be given consideration for admission for at least one calendar year after the last semester of attendance.

**Those who previously attended SRU as degree-seeking students, left for any reason and subsequently intend to return to the University, should not complete this application, but instead should apply for re-admission through their college dean's office.**

An offer of admission to the University does not necessarily imply an acceptance to the student's chosen major.

### Application Procedure for transfer students

Consideration for admission will be given to those applicants who submit the following:

1. Application for admission and the application fee
2. Official transcripts from **each** post-secondary institution attended. (Failure to record and submit all transcripts will result in denial of admission or dismissal from the University.) Diploma school nursing students must also submit an official transcript from the institution that provided the general education requirements of their degree. Official transcripts may be sent to the SRU Undergraduate Admissions Office electronically from your host institution using eScrip-Safe, or mailed to SRU.
3. Official score reports (AP, CLEP) and military transcripts, if applicable

4. High school transcript (for students who have attempted less than 30 credits) G.E.D. Note: Students who have obtained a G.E.D. should provide a copy of the G.E.D. score report and diploma, and an official transcript from all secondary schools attended until the equivalency diploma was earned.

Students offered admission must submit all final transcripts. Failure to do so will result in a hold on registration privileges.

### Transfer of Credits

An official evaluation of transfer credits will be provided to students who have been offered admission and have paid the Enrollment Deposit. A preliminary unofficial evaluation of credits may be provided upon request, prior to application for admission. Credits are considered for transfer based on the following criteria:

1. College level courses with grades of A, B or C are normally accepted in transfer. Letter grades of D may be accepted from Pennsylvania community colleges and other Pennsylvania State System of Higher Education universities in some circumstances.
2. Courses with grades of "P" or "S" are normally accepted. A maximum of 12 credits earned on a pass/no credit system may be transferred.
3. Scores of 3, 4 or 5 on Advanced Placement (AP) exams are acceptable for college credit.
4. Courses earned through "credit by examination" are normally accepted in transfer.
5. There is no limit to the number of credits a student may transfer; however, the student must meet all graduation requirements.

### Graduation Requirements

1. All undergraduate degree programs require a minimum of 120 credits.
2. Students must complete their last 30 credits in residence at SRU. In addition, individual departments may establish residency requirements for their majors and minors. Students should check with their academic advisor to determine the requirements for their academic program.
3. Students must complete a minimum of 48 credits of liberal studies coursework.
4. Students must complete 48 credits of upper-level coursework. Thirty-nine of the 48 credits must be at the 300 level or higher, the additional 9 credits may include courses requiring a 3 credit prerequisite. At least 24 of the 48 credits must be completed at SRU.
5. Students must complete at least half their major (15 credits minimum) in 300 or higher level courses. Students must complete at least 12 credits in their major department at SRU.
6. All students must complete two intensive writing courses. Intensive writing courses may be completed as a liberal studies or major requirement. Intensive writing courses cannot be completed at other institutions.
7. Bachelor of arts degrees require language proficiency at the 103 class level. Exemption by placement or examination is possible. Language courses used to satisfy the BA requirement may not be used in the goal section of the global community block of the liberal studies program.
8. Students must complete at least 60 credits at SRU to be considered for Latin honors at the time of graduation.

A non-refundable \$30 application fee is required. You may pay this fee online at <https://rockpay.sru.edu> or send a check or money order, made payable to Slippery Rock University.

# Application for Admission to Slippery Rock University of Pennsylvania

Please type or print in ink. Complete the entire form before submission. \$30 NON-REFUNDABLE APPLICATION FEE REQUIRED.  
International, Special (non-degree), Post-Baccalaureate, and Graduate Students should NOT use this application.
