PHYSICAL EDUCATION

Message from Dr. Betsy McKinley

Greetings!

As the students and faculty in the SRU PETE program continue to work diligently to provide our discipline with up-to-date fitness, movement, and teaching strategies, support of alumni and others interested in the continued success of this program is more important than ever. Consequently, our renewed focus on soliciting monetary gifts in support of our growing needs in the SRU Physical Education Teacher Education Program will provide our students and department opportunities to create even stronger field opportunities, in addition to providing additional conference and research support for our undergraduate students. As a show of faith in our legacy and our future, the current PETE faculty have offered to support the program at their own levels of gifting, and we are asking each of you to consider doing the same. Please honor those who have made a healthy difference in your life by participating in this effort. Thank you in advance for your continued support of our program.

You ARE appreciated!

Betsy McKinley, Ph.D.
Chairperson
