**Please read this agreement.**

All presenters play an important role in this conference's community of learners by sharing their knowledge with attendees. Equally important for a valuable conference is the human networking and sharing of ideas in various contexts. We encourage, whenever possible, all presenters to attend the whole conference and other presentations. Thank you for your cooperation with this request.

I have read the invitation for presenters at the National Student Teacher Supervision Conference.

**Please save this form with your last name and send it with your proposal to [kim.creasy@sru.edu](mailto:kim.creasy@sru.edu) with the subject titled "conference submission."**
