

SPECIAL EVENTS / ON-CAMPUS RECRUITING FALL 2009

Career Services - 103 Maltby Center - (724) 738-2028

- The following are a list of job fairs, on-campus interviews (**OCI**), testing and information sessions that SRU students & alumni have access to during the fall semester. For more information about these events; **phone** us at (724) 738-2028, or **email** us at (career.services@sru.edu) or send us an AOL **Instant Message** at SRUcareer.
- Additional information about job fairs is available at <http://sru.edu/pages/11160.asp>
- Please note that many employers do not come on campus, but have on going employment needs and will access the **College Central Network (CCN) Resume Database** to search for qualified candidates. We encourage you to post your resume to CCN at www.studentcentral.com
- We also suggest that you visit College Central to access the PASSHE job bank where all 14 Pennsylvania State System universities share employment opportunities. In addition you can check out the national listings for employment and internship opportunities throughout the US at www.studentcentral.com
- To participate in on-campus interviewing, you must have registered on College Central Network (CCN). As a current student of Slippery Rock University, you have been pre-registered for this service.

If you have not already accessed your account you must:

- Go to www.collegecentral.com/slipperyrock
- Click the "Students" icon
- Click on the link to log in at "Student Central"
- Log in using **your 7-digit SRU Student ID** (example: ABC1234) as your Access ID, and the temporary password is: **rockon**

After you log in, you must complete the short registration form. You will then be taken back to your home page where you will click on the heading to change your password. For security purposes, **we recommend that you change your password.**

Once you have accessed your account you can search for jobs that involve on-campus interviewing via the **Search for Jobs/Opportunities Posted to My School** link. On the job search page you will have the option of searching for all jobs, or just those that include an on-campus interview.

Once you have submitted your résumé to an OCR job, you may be invited to be interviewed by the employer. You will then see the following message at the top of your home page when you log in: You have been selected for an on-campus interview. To schedule an interview, please click on the "Check My On-Campus Interview Status" link.
