

What Can I Do With a Degree in MEDICAL TECHNOLOGY

Medical Technology is a clinical laboratory science related to the prevention, diagnosis, and treatment of disease. Medical Technologists perform routine and complex analysis, often utilizing sophisticated biomedical interpretation. They are responsible for the accuracy of their results and are expected to correlate independent test results and physiological conditions.

Skills Associated With Medical Technology Majors

Spirit for scientific inquiry and the ability to operate scientific equipment
 Achievement and goal orientation
 High proficiency for accurate details
 Ability to make critical observations and decisions
 Conduct and clearly explain scientific research

Sample Career Titles

Analytical Chemist	Health Officer	Pathology Assistant
Cytologist	Health Policy Consultant	Pharmaceutical Lab
Bacteriologist	Hematologist	Technician
Blood Bank Specialist	HMO Administrator	Pharmaceutical
Biochemist	Hospital Administrator	Salesperson
Biostatistician	Laboratory manager	Pharmacist
Botanist	Marine Bacteriologist	Pharmacy Technician
Cardiovascular Technician	Market Research Analyst	Phlebotomist
Clinical Laboratory Technician	Medical Assistant	Physical Therapist
Coroner	Medical Illustrator	Physician
Crime Lab Analyst	Medical Librarian	Public Health Worker
Cytologist	Medical Sales	Science Teacher
Dentist	Representative	Science Writer
Dietician	Medical Secretary	Serologist
Emergency Medical Technician	Medical Technician	Surgical Technician
FBI Special Agent	Microbiologist	Technical Writer
Food & Drug Inspector	Molecular Biologist	Test Technician
Food Scientist	MRI Technician	Toxicologist
Forensic Investigator	Museum Curator	Veterinarian
Genetic Researcher	Occupational Therapist	Veterinary Assistant
Health Advisor	Occupational Therapy Aide	Veterinary Lab Assistant
Health Care Lobbyist	Ophthalmology Assistant	Water Quality Technician
Health Club Manager	Paramedic	Wildlife Biologist
	Parasitologist	Zoologist
