

Minor in Geography

Department of Geography, Geology, and the Environment

Minor Requirements (21 hours)				
✓	Course	Title	Cr	Gr
Select two of the following (6 hrs.)				
	G&ES 150	The Natural Environment	3	
	G&ES 230	Cultural Geography	3	
	G&ES 331	Economic Geography	3	
Select one of the following (3 hrs.)				
	G&ES 202	United States & Canada	3	
	G&ES 301	Rural Areas	3	
Select one of the following (3 hrs.)				
	G&ES 220	General Methods of Fieldwork	3	
	G&ES 315	Cartography I	3	
	G&ES 410	Remote Sensing	3	
Select any three geography courses at the 200 level or above (9 hrs.)				

There must be at least three courses in the minor that will not count in a student's major, and two of those three courses must be at the 300 level or above. Courses in a minor (that are not also in the student's major) can be counted in the liberal studies program if the course is designated as approved for liberal studies.
