# Keynote Speaker Mr. Thom Cobb

For the past 39 years, students of the Slippy Rock University PETE Club have given professionals and students the opportunity to come together and learn and renew knowledge in the areas of Health, Physical Education,

Recreation, and Dance. Much like years past, presenters from both in and out

of the state have been asked to present to you information to help in our field.

We hope that on April 15th, you will join us for the opportunity to change yourself. Change what you know, and how you can make a difference.

Your registration will include Act 48 hours and lunch.

For more information please visit [www.sru.edu/pe](http://www.sru.edu/pe) or contact Leslie Korbar at [LAK0047@sru.edu](mailto:LAK0047@sru.edu).

This year, our Keynote Speaker is none other than Slippy Rock University's own Mr. Thom Cobb. Better known as

TC, has been a part of the SRU Dance Department since 1978. He has helped shape the future of both dance majors and physical educators for thirty years. He teaches all of his students, no matter what their dance background, to love dance and see its importance in Physical Education classes.

He is a PSAHPERD Past President, the first representing the dance aspect of this organization. TC has been named National Dance Educator of the Year twice, in both 2007 and 2008. Please join us in what promises to be both an informative and interactive keynote address. Join TC in his efforts to help us break the mold, and **dare to change**.
